

Trash Container

Residents have two options for trash containers:

- 32-gallon capacity cans, with lids and handles (weight cannot exceed 50 pounds)
- 48-gallon container which have all of the following:
 - Recessed metal rod which allows cart tipper to dump container
 - Must have lid
 - Must have wheels

Total amount of trash collected per house will remain at 128 gallons which will still allow four 32-gallon containers or up to two 48-gallon containers and one 32-gallon container.

Hatt's True Value Hardware Store will carry the 48-gallon cart (Hatt's Part #TRU139007) that meets the Township specifications. The discounted, resident cost for the 48 gallon cart is \$66.39 plus tax. They also have a 32-gallon tote at a discounted, Valley resident price of \$55.75 plus tax.

Need to show proof of living in Valley Township for discount price and be willing to provide your eMail address to receive periodic sales info from Hatt's.
